### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The cited prior art fails to teach alone or in combination all claimed features.

Applicant persuasively pointed out the claimed features not taught by cited references in their arguments. Specifically cited prior art fails to teach or suggest parallel paths of the video information for concurrent receipt and processing by the video cataloger and a plurality of video encoders. Also as pointed out in applicant's arguments, the cited prior art fails to teach or suggest commanding video encoders and storing actual start times at the video cataloger as recited in each independent claim. Therefore the invention as claimed is allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
